Brookshire's celebrates grand opening

Brookshire's is hosting its official grand opening today across Parker County.

The Tyler-based grocery store chain bought out many of the Winn Dixie stores after Winn Dixie announced it was pulling out of the Texas and Oklahoma markets.

Neither company would go into the specifics of the deal.

Brookshires purchased the three Parker County Winn Dixie stores, located on Highway 199 in Springtown, along Interstate 20 in Willow Park and on Palo Pinto Street in Weatherford.
